“ Amy was always a sweetheart with a firecracker attitude. This woman always managed to make me smile when I did not feel like doing so. She will be greatly missed. My thoughts go out to her family and friends in this time.

“ I've known Amy since 2000 when we started at PeopleSupport downtown together. She was definitely a firecracker with a strong personality. I have fond memories of Amy from hanging out at friends' houses to events, birthdays, bars, bowling, and camping. This was very devastating news to find out given Amy's age and the cause of passing. She earned her wings too soon. My thoughts and prayers are with all family and friends. Her memory will live on. RIP Amy.

To Amy (Chi Chi Bear) Papa Bear's Puerto Rican Princess. We'll always have the 2010 Nbfd campsite win with the flag to prove it. Whenever we attend a camping outing in the future with the clan we will be sure to hang a picture of you to keep you there with us. I'll remember our deep conversations way back when and my constant nudging you to over come your self doubt that I never understood. This old Bear always thought you could do anything if you put your mind to it and got out of your own way. I'll smile when I look back on pictures of our fun nights out dancing and laughing after a few or more cocktails. Here's to those days. I hope you can see, that you always had a fan. Fly high and Rest In Peace Chi Chi Bear

“ When I think of Amy, I think of her big beautiful smile, her genuine laugh and her warm hugs. So many memories to share and not enough space. Camping, glam sessions and random nights out dancing/laughing until the last call lights came on. Our hearts hurt for you and we are sending our deepest sympathies. Hoping you; Stephanie, Amy's Parents, sisters and family can find comfort in each other at this difficult time especially by sharing memories.
