“ Sending condolences and lots of love and light to the family and friends of Jayne A. Bellm. Jayne helped me on numerous occasions over the last 18 plus years. I never had the opportunity to meet her in person but we did have many phone and email conversations as she helped walk me through many situations to understand a process or fix an issue. She had the biggest heart and was such a kind and gentle soul. She will truly be missed by many. Until we meet again. A fond Aloha my friend.

“ I've learned a lot from Jayne. She always seemed to be tough on the outside; however, she had a sweet, caring and gentle spirit. If I didn't understand something, she stayed on the phone with me and emailed me screenshots at the same time. She made sure I had an understanding of the task at hand. Her season came to an end on Feb. 6th. Her work was done. She will be truly missed. I pray that the family stay encouraged. Even though she is not here physically, the love you have for her will forever be in your hearts.

“ Jayne was such a wonderful, loving person to be around and work with. She would always cheer me up if I was having a bad day. She would always check in on me to see how I was doing that day and she was someone I could always talk to. She would brighten any room she walked into with her spirit. I will forever miss her around the office and I know she is in a better place looking down on us and watching over us all!

“ Words can't express how it feels to hear that you have left us so suddenly. It definitely was a great pleasure to have known such sweet, caring person for 15+ years. Not once have I spoken with you and you weren't pleasant. You would always make sure to put a smile on someone's face or make them laugh to brighten up their day. Even though I've never met you in person, I feel as though I've known you for a lifetime from all the phone conversations (at Enterprise) we've had about each of our vacations, families and ,of course, work. I will definitely miss those talks, Jayn-E-Pooh. I know that you are smiling and laughing with the angels in Heaven now. I send my condolences to her family. Rest in peace, my friend.

“ Jayne was one of the greatest people I never got to meet...always full of life and energy. She had a way of letting you know when you were incorrect and at the same time had you laughing the whole while. You knew when she answered the phone she was smiling on the other side of the line and was always helpful. Jayne will truly be missed by her Enterprise family from near and far. Rest in peace sweet lady!

“ I woke this morning to the sound of thunder. That can only mean Jayne is bowling with the angels. Pretty sure it was a strike. I shared a cubicle wall with Jayne for a number of years. I was privileged to overhear her help people both at the groups and here at corporate. Her style was very blunt, but always with the intention of helping out everyone. I miss her dearly.

“ I ABSOLUTELY LOVED THIS LADY!!!! I never met her face to face and never even knew what she looked like, but I loved her. I work for Enterprise in Group 08, Indiana, and we spoke many times. She helped me with messes I created and she was very very patient. Her voice was calming and she never let me know it was a mess, but just kindly walked me through unraveling everything until it was fixed. She will be greatly appreciated for how her genuine kindness and compassionate spirit touched my life. She will be sorely missed because people like her don't come around often. Rest well Miss Jayne!!! ~Donna Scott
